16 years of Kovai through our pages

It's been 16 years of Travel & Shop already and the years have flown by with purpose and pride.

What began as a pioneering effort to create a comprehensive city guide has today become a trusted companion for readers seeking to stay in tune with Kovai's pulse – with essential listings and helplines, Travel & Shop has evolved into a reliable guide for shopping, food, entertainment, sight-seeing, hospitality and travel, and all kinds of other city-centric information.

"A warm acknowledgement of Kovai's and Travel & Shop's parallel mutual growth"

When Travel & Shop first took shape, the idea of a full-information city guide was both innovative and forward-thinking. Coimbatore was then on the cusp of transformation, gradually redefining itself from a laid-back South Indian town. Today, the city stands as a testament to growth and the triumph of business acumen.

Kovai has firmly established itself as a leading destination in South India with a thriving business environment, reputed educational and medical institutions, textile hub, tourist destination and a spiritual centre as well.

Travel & Shop has been with Kovai in its transformational journey every step of the way for the last 16 years, and here's looking forward to the next 16 years and beyond, as partners in a growth adventure which is mutually beneficial, and has evolved into a warm partnership.

With gratitude, humility, and the spirit of togetherness, we at Travel & Shop hail our esteemed clients, patrons and friends beyond business. *We could not have done it without your support and solidarity*.

16 years and counting…

TRAVEL & SHOP has held fort as Kovai's definitive information guide all these years

By Smiti Jain Narayan

16 years is more than just a milestone – it is a testament to vision, consistency, and an enduring connection with a city that has grown, changed and metamorphosed before our very eyes.

As ***Travel & Shop*** **celebrates 16 years of covering Coimbatore**, it reflects on a journey shaped by stories, relationships, and a deep-rooted passion for showcasing the essence of this city that has transformed from being a sleepy traditional town into a metro city in its own right, daring to dream and do.

Our relationship with Coimbatore is deep-rooted and ever-evolving. Over the years, we have watched the city evolve

– from a peaceful, easy-going town into a thriving urban hub known for its enterprise, innovation, and cosmopolitan lifestyle. Today, Coimbatore stands tall with flourishing industries, modern infrastructure, premium hospitality, vibrant retail spaces, and an impressive culinary scene. Through every phase of this growth, ***Travel & Shop*** has been there, documenting milestones, highlighting progress, and reflecting the city's vibrant spirit in its pages, capturing the essence of Kovai.

It was a dream dreamt by the **enterprising Publisher Ravi Varadhan**, whose dynamic leadership has been at the heart of this **16-year journey of Travel & Shop magazine**. He has guided and led his dedicated team with vision, clarity, and a deep sense of purpose to establish the magazine as Kovai's go-to information guide, available at the fingertips of locals and visitors to the city alike. His ability to adapt to changing times, his commitment to excellence, and his strong relationships with our valuable clients – have been instrumental in the magazine staying relevant even today.

Within the pages of ***Travel & Shop***, one can trace the pulse of the city – its achievements, its challenges, and its immense potential. Known fondly as the *'Manchester of South India'*. Clothing, manufacturing, hospitality,

entertainment, apparel, bridal couture, jewellery, household appliances, food and beverage, leather goods, Kanjeevaram sarees, beauty industry, travel agencies, and many more goods and services – find it all within the pages of ***Travel & Shop*** – a true testimony to the consumers' desires and the availability of businesses and enterprises to fill that lacuna.

As we turn the Tamil calendar year and step into a whole new year, we celebrate our bond with this inspirational city and celebrate its spirit of entrepreneurship. With gratitude in our heart for the past 16 years, and hope and vision for the upcoming years, ***Travel & Shop*** looks forward to many more years of being a part of Coimbatore's remarkable journey.

A GASTRONOME'S DELIGHT

Indian, Pan-Asian, Mexican, Continental, Italian, Fusion…

Foodies in Coimbatore are known to travel long distances, if only to sample the best rasam-rice or biryani in town. Adding to their sense of adventure is that they don't have to leave the city to sample the world's kitchens, be it Mexican, Thai, Chinese, Italian, American or Pan-Asian. But the best food in Kovai is the local finger-licking good South Indian fare: idlis, dosas, utthappam, rice, sambar, rasam and yoghurt either served on a sparkling stainless-steel plate or a banana leaf. And the must-have Madras Filter Coffee which is the best concoction to fill you with vigour and vivre! There is lots more of typical dishes to be savoured... payasam, kootu, koozh, puttu... go on this culinary journey of joy!

SAY CHEERS TO SPIRITED TIMES

Pubs, Lounge Bars, RestoBars...

A typical Coimbatorean is as much at home with Mexican cuisine as he is with his rice–rasam. He is equally at ease in a 'veshti' (dhoti) from the pavement store as he is in an imported Armani suit. And so is the expatriate who has made the city his home. If you see a South-Indian fast-food joint sitting cheek-by-jowl with a hip Italian restaurant or a Reebok and Hidesign showroom sharing the same street with the Himalaya Drug Company and Titan, you know it's a city with a healthy blend of the East and West. The city's accommodating nature is also one reason why there are so many watering holes in the city. Let your hair down and enjoy yourself with your group across town!

SCENIC BEAUTY, COOL CLIMES, QUEEN OF THE HILLS

BOTANICAL GARDENS, PARKS, PLANTATIONS & MORE...

Lush green mountains and plantations abound in Ooty. Spread over 36 sq km, it's 7350 feet above sea level. Vast plantations of eucalyptus, pine and wattle stretch between the few untouched meadows that remain of the pre-British Ooty. It's the perfect destination to get away from it all in the lap of nature's bounty and serenity. Here is where you can rewind, reboot and restart your life every season. With temperatures relatively consistent throughout the year, it's the best summer retreat for anyone wanting to beat the summer heat. Sightsee, relax, chill…

LANDMARKS & MONUMENTS

COONOOR

At a slightly lower altitude (2000 m), this is the second largest hill station in the Nilgiri Hills and is a small tea garden town where the weather remains pleasantly cool throughout the year. The place is perfect for trekking and picnicking, with grassy spots and spectacular views. It is famous for bird-watching and birds such as vultures, eagles, owls, bulbuls, thrushes, babblers, larks, cuckoos and robins can be spotted here.

KANDAL CROSS SHRINE

A Roman Catholic Shrine, this is considered the Jerusalem of the East. Catholics consider the shrine as the 'Calvary of Tamil Nadu'. Special Novena Prayers and Holy Masses are offered every Friday. The annual feast is held on 3 May.

NILGIRIS LIBRARY

It is a treasure trove of precious documents, biographies and old books, many of them rare volumes on travel and Ooty. The library was begun as a public reading room and later built up as it stands today, in 1868. Today, it is run by a private committee.

OOTY CLUB

This club offers entertainment as well as information. It has a collection of albums of yellowing photographs, newspaper clippings and hand-drawn cards, among other things. The club building was originally the mansion of Sir William Rumbold, a wealthy businessman from Hyderabad, who built it in the 1820s. Regal, imposing and exclusive, the club is still maintained as it was during the time of British rule. The club is for members and their guests only.

STONE HOUSE

This is the first bungalow to be built in town, which was the residence of John Sullivan, the founder of Ooty and at that time, the collector of Coimbatore. The tribals gave it its name – 'Kal Bangla' meaning Stone House.

ST STEPHEN'S CHURCH AND GRAVEYARD

This Protestant Church was Ooty's first church. One of the few remaining examples of original Anglican architecture in Ooty, it's a Gothic, castle-like structure, reminiscent of English village churches. Adjoining the church is an old English cemetery.

THE MUSEUM

Opened in November 1989, this museum has a collection of objects unique to the district, including timber, insects, butterflies, rocks, wood carvings, Kurinji flower, stone sculptures, bronze works, models of Toda hut and coins.

PARKS & GARDENS

BOTANICAL GARDEN

The gardens were established in 1847 by the Marquis of Tweeddale and now maintained by the Agricultural Department of the Tamil Nadu government. During the month of May, an Annual Flower Show is held by the Nilgiris Agro-Horticultural Society. A Dog Show conducted by the South India Kennel Club is also held during the same time. A few minutes' climb up from the garden is the Toda Mund – 'Othak-kal-man-thu' (one-stone village) – from which Ooty (Ootacamund) derived its name. Adjacent to the garden is the Raj Bhavan used by governors when they are on tour.

OOTY LAKE

This small artificial lake was conceived in 1824 by John Sullivan as an irrigation tank. Hardly 4 sq. km in area, the lake is much frequented by picnickers. Row boats, paddle boats and motor boats are available for hire. The boat house also has a restaurant and a children's garden.

CENTENARY ROSE GARDEN

This rose garden was established at Vijayanagaram in Ooty, covering four hectares in five terraces, to commemorate the centenary Flower Festival in November 1995. It is situated on the lower slopes of the Elk Hill on the North-Western side, facing Ooty town. There are about 2150 varieties of roses in the Rose Garden, one of the largest collections of its kind in India.

SIGHTSEEING

LAMB'S ROCK (8 KM)

A sheer precipice several hundred metres high, Lamb's Rock is on a motorable road that leads to Lady Canning's Seat (10 km away), named after the wife of a British Viceroy. Dolphin's Nose and the Droog are two other excellent heights, 10 and 15 km from Coonoor, respectively, to view the plains. They are also good picnic spots, with the former made attractive by a view of Catherine Falls and the latter by still-remaining ruins of an old fort built by Mysore ruler Tipu Sultan.

PASTEUR INSTITUTE

This institute was established in 1907 to research rabies and treat victims of the disease. Among other projects undertaken by the institute, the most noteworthy is the manufacture of the polio vaccine.

SIM'S PARK

It was founded by JD Sim, a Secretary to the Madras Government in the mid-19th century as an amusement park. It has now evolved into a botanical garden with a well-laid-out terraces with rare flowers and shrubs. It contains several species of trees and shrubs that cannot be grown in the colder climate of Ooty.

ARUVANKADU

The Cordite Factory of the Government of India, which supplies ammunition for the country's defence purposes, is located here. It was started in 1904.

GUDALAR (50 KM FROM OOTY)

Located on the road leading to Mysore, Gudalur is the gateway to the Nilgiris from Kerala and Karnataka. The Mudumalai Sanctuary is located around 16 km from here. The prime attractions are the Frog Hill View Point (14 km), the Needle Point Rock View (12 km), Numbalkottah (8 km), Nellakotta (15 km), the Hanging Bridge (14 km), Nelliyalayam (20 km) and Cherambadi (35 km).

STANLEY PARK (3 KM)

A popular camping ground for scouts and guides, it has a rest house and protected water supply.

POMOLOGICAL STATION

This experimental fruit garden, one of the three in the Nilgiris, sprawls over 16 acres at a height of about 1,900 metres above sea level. It was established in 1920, along with the other stations at Burhar and Kullar on the Coonoor–Mettupalayam Ghat Road. These stations are maintained by the Tamil Nadu Horticultural Department.

WELLINGTON (5 KM)

This British cantonment was developed in 1852. It has the country's only Defence Services Staff College, an institution rich in Indian military, especially modern tradition. Wellington is also the headquarters of the Madras Regimental Centre, which is the oldest regiment in the Indian Army.

ST CATHERINE FALLS (8 KM) AND ELK FALLS (7 KM)

The two falls are among the most beautiful cascades of the Nilgiris. From the Kodanad viewpoint (16 km), an all encompassing view of Coimbatore, Mysore, and Kerala can be seen, as well as the eastern slopes of the Nilgiris. The other major attractions here are the Rangaswamy pillar and peak: the former, a conical peak, 1,785 m high and considered sacred by the hill tribes of the plateau; the latter, an unusual isolated rock formation with precipitous sides.
